

About Me

I would describe myself as someone who is passionate to provide my users visually pleasing, easy to use interfaces. From the past **8+ years**, I have been designing mobile and web products. I have been always appreciated a user's advocacy in my work experiences. With all this experience, I'm still keen to learn more about UX/UI and hence provide my best to the organization.

Tools

Photoshop	<div><div></div><div></div><div></div><div></div><div></div></div>
